

12	13	14	15
8	9	10	11
4	5	6	7
0	1	2	3

Diagram illustrating a 4x4 grid with a vertical red line separating the left and right halves. Four blue circles labeled P0, P1, P2, and P3 are positioned at the intersections of the grid lines. P0 is at the intersection of the first and second columns, P1 is at the intersection of the third and fourth columns, P2 is at the intersection of the first and second columns, and P3 is at the intersection of the third and fourth columns.

12	13	14	15
8	9	10	11
4	5	6	7
0	1	2	3

Diagram illustrating a 4x4 grid with a single blue circle labeled P0 positioned at the intersection of the second and third columns. The grid is divided into four quadrants by a horizontal and vertical line, with P0 located in the top-right quadrant.
